

Wholesale & bulk

Sack and crate quantities at wholesale rates. No minimum order, no delivery fee.

Grade A or Grade B — you choose

Grade A for presentation, Grade B priced lower for anything chopped or cooked. Below that, never dispatched.

Direct from farmers & mandi

Bought each morning against your confirmed order. No dark store, no cold storage in between.

PRICES CHANGE DAILY

Because we buy fresh every morning direct from farmers and the mandi, rates move with the market. **Ask for today's quote** — and for standing orders we lock your price for the full week, so a mandi spike is our problem, not your food cost.
